

## Mission

The Center enhances the education of students for responsible citizenship and effective leadership.

## Vision

Students and alumni are responsible citizens and effective leaders. They are aware of and engaged in the world around them and use their talents and means to create a more just and humane society.

Students and alumni are well-known and respected for their leadership acumen and public service tradition. They readily seek and accept opportunities for leadership; partake actively in professional, civic, and community organizations; offer themselves for positions of trust and public service; and strive to make positive changes in their professions and communities.
