WHAT EXCITES YOU MOST ABOUT THE SUMMER?

I cannot wait to work with elephants for the first time in Thailand, and to learn how to spay and neuter cats and dogs in Ecuador.

WHAT ABOUT THIS SUMMER MAKES YOU NERVOUS?

This summer is when I will be applying to Veterinary Schools. I'm most nervous about finding a means of Internet access in order to be able to progress on my application so that I am not working on it last minute upon my arrival!

WHY DID YOU APPLY TO THE MOELLERSHIP PROGRAM?

I love seeing the world, and I also have a passion for an animal related field. I applied for this program as soon as I realized that I would be able to do both of those things at once.

OF WHICH ACCOMPLISHMENT ARE YOU PROUDEST?

My proudest accomplishment so far is being selected to be a part of this program!

WHAT DO YOU WANT TO BE KNOWN FOR?

I want to be known for being a phenomenal and knowledgeable veterinarian.

WHAT IS ONE THING YOU CAN'T LIVE WITHOUT?

I cannot live without my family and the constant love and encouragement they have for me.

WHAT IS THE SOUNDTRACK TO YOUR LIFE?

My sound track to this time in my life is Cheers by Rhianna. I cheers to the weekend because I can finally get a full nights sleep, relax and catch up on school work!
