In and Around Tallahassee*

## Government

### Florida Department of Revenue - Human Resources

The Administrative Services for the Florida Dept. of Revenue provides centralized revenue assessments and collection activities. The Human Resource Services process is responsible for all personnel activities and functions in the department. Clerical Assistant needed to do light typing, filing, and answering the phones.

### Florida House of Representatives (Internship Program)

The Legislative Intern Program provides college graduates and graduate students with training in the legislative process and public policy making. Participants are assigned to House Councils, Committees, and, on a limited basis, leadership offices under the guidance of senior House staff. Assigned tasks may include research, bill drafting and analysis, oversight investigations, and other tasks relating to policy areas.

## **James Madison Institute**

Internships at The James Madison Institute allow college students to gain practical experience in the arena of Florida public policy. Students of all majors are encouraged to apply. JMI internships are unpaid; however, we do encourage prospective interns to contact their college or university to see if this internship may qualify for academic credit. Housing is not provided by the Institute.
