Habitat for Humanity - FSU

The FSU Campus Chapter of Habitat for Humanity was founded in 1990, and has been actively working to help eliminate substandard housing in Tallahassee. FSU Habitat works in association with the Big Bend Habitat for Humanity and Habitat for Humanity International. We help by contributing manpower and financial resources to house builds and other projects. Our goals are to raise money for Habitat houses, educate FSU students and the community about poverty, and coordinate volunteer opportunities including house builds and work at the Habitat Home Store.

We provide staple food items, which were purchased and distributed by the agency founder, Ms. Annie Johnson.

Rainbow Rehab, Inc.

This non-profit organization rehabilitates houses to sell to lower income families. It is similar to Habitat for Humanity except it rehabilitates existing houses rather than building new ones. Skilled and unskilled labor is needed on Saturdays.
