In times of war, a stand down has exhausted combat units requiring time to rest and recover, be removed from the battlefields to a place of security and safety. This Stand Down refers to a grassroots, community-based intervention program designed to help the estimated 400-500 homeless Veterans in North Florida. During the 3 day/2 night event, the North Florida Fairgrounds in Tallahassee, FL will take on a military atmosphere as tents and cots are set up for the Veterans who are experiencing homelessness in the Tallahassee area. They will live and sleep on the property throughout the weekend. Veterans who do not have permanent housing will have free access to housing assistance, showers, food, clothing, medical services, legal services, mental health services, and job counseling. Most importantly, though, they will receive companionship and camaraderie. The Stand Down expects an atmosphere of providing dignity and respect. North Florida Homeless Veterans Stand Down will "leave no Veteran behind". Support your local government. Students wishing to get involved can contact: Colonel Claude W.
